

BIOTAN[®] by Gastrolux[®]

If you would like to stock and sell BIOTAN[®] or you are a Chef or Professional cook looking for the best non-stick pans available then contact **SIC Swiss Import Corporation** on (03) 8742 3322.

We offer industry professionals a two year warranty on the base (flatness) and surface of the pans. All of the pans, lids, knobs and handles have been tested and are guaranteed oven safe to 240°C. If you prefer a stainless steel (Inox) handle rather than the removable handle then we have those items for the trade. We have many satisfied Chefs around Australia using BIOTAN by Gastrolux.

For retailers we offer Point Of Sale material, staff training, in-store demonstrations and a range of cookware that will have your customers telling their friends and coming back for more. We have sold BIOTAN by Gastrolux in Australia since 2006 and have many very happy retailers who not only sell BIOTAN but also use it in their own home.
